CAREER OBJECTIVE

Passionate and motivated recent graduate with a strong foundation in HTML, CSS, JavaScript, Bootstrap, Angular, Node.js, and ExpressJS. Eager to leverage my skills and enthusiasm for creating intuitive user interfaces while learning and growing within a collaborative team environment. Committed to delivering innovative digital solutions and contributing positively to the success of projects.

EDUCATION

Srinivasa Degree College, Medak
2023

B.Sc. with 82%

PROJECTS

1. Burger Web Application

Technologies: HTML, CSS, Bootstrap

- Developed a user-friendly web application for ordering customized burgers online, providing a seamless experience for users to personalize their orders and place them conveniently.
- Developed with HTML and CSS, the project prioritizes responsiveness, ensuring seamless navigation and functionality across all devices, from smartphones to desktops.
