MISSION STATEMENT

I am striving to build a portfolio in the computer science field that distinguishes me from my peers. I am interested in cybersecurity and software development. Beyond that, I plan to ultimately occupy a managerial role in the industry.

EXPERIENCE

Application Support Analyst – Walt Disney Company

May 2022 – Present

Designed solutions to payroll/time issues and troubleshoot any problems that arose. Oversaw and facilitated communication between vendors/partners and HR representative from beginning to end. Optimized ABAP code in SAP.
