PROFESSIONAL EXPERIENCE

Talent acquisition Specialist, Hyderabad - IN

NCS (National Computer Systems) Dec 2022 - Present

Responsible for mentoring and providing on-going training and support for new recruiters and serve as a resource for learning and navigating senior technical policies and procedures.

My responsibilities include sourcing, interviewing and hiring of IT professionals for multiple projects and assignments in the IT services industry.

Good communication skills, people networking abilities, a good deal of aggression and customer orientation skills were key my success in the job.

I worked with IT consultants of various experience levels on .Net, Java/J2ee, Oracle, SAP, People soft, data warehousing, mainframes, testing tools, Vice President, Director of Customer Support (Engineering) etc.

Extensive recruiting, sourcing, screening active & passive candidates. Extended job offers, presented company overviews and benefits.

Keeping track of every requirement from submission to closing. Used portals like Monster, Dice and ATS like ceipal, Conrep. Mostly used to work on Full-time, W2 Requirements etc.

Worked with some implementation partners to the client like I cube capital, Photon, Zensar, Sterlite Technologies and Tier 1 clients like Persistent.
