**Soft Skills:** Communication, Team Work, Critical Thinking, Problem Solving

## PROJECT/INTERNSHIP

---

**Full Stack Web Developer Intern**

*Postulate Infotech PVT.Ltd, coimbatore, India*

*Aug 2023-Sep 2023*

- Completed 1 month internship in Full Stack Web Development.
- Creating a more interesting and user-friendly quiz platform that provides immediate feedback to users.

### Recharge Application

- Developed a web-based recharge application using Java, JSP, and MySQL, adhering to the MVC architecture.
- Implemented user registration and login functionalities, ensuring secure and efficient user authentication.
- Built server-side logic using Java and JSP, facilitating interactions between the front-end and the database.

### Document Sharing App

- to enhance communication and productivity among team members
- aiming to create a user-friendly platform that would streamline document sharing and enhance team collaboration.
- Android Studio to design and implement key features of the app. And Utilized Firebase technologies to establish a robust backend, enabling real-time document updates and secure user authentication
- This project demonstrated my proficiency in Android app development using tools like Android Studio and effective integration of Firebase technologies to address real-world team challenges.

## CERTIFICATION

---

- Full Stack Web Development Internship Certificate - POSTULATE INFO TECH PRIVATE LIMITED.
- Successfully completed the Software Project Management Course on NPTEL
- Successfully completed the 'Java Essential' course on Microsoft DigiSaksham Program

## EXTRA CURRICULAR ACTIVITIES

---

- **GMRT Exhibition on Science Day:** Presented a project titled "Forensic Investigation and Prevention on Virtual Machines" at the GMRT Exhibition on Science Day.
- **Rangoli Winner** SPCOE College Annual Art Competition,2021.
