

Name : BAJANTRI SATISH KUMAR

Email I'd: BSATISHKUMAR231@GMAIL.COM

Contact#: +91 9666160058

Career Objective:

I would like to turn out to be software professional where, I can work as a team member and to secure a position where I can efficiently contribute my skills and abilities to the growth of the organization and make my professional career.

Education:

2022

B.Tech : ECE

Ponnaiyah Ramajayam Institute of Science
and Technology – PRIST
CGPA : 7.21

2017

Intermediate

Sri Viswasanthi College – BIE
GPA : 80

2015

S.S.C

Indus High School – BSE, Andhra Pradesh
CGPA : 7.5

Professional Skills:

- Good knowledge on Java programming fundamentals like data types, control statements, constructors, Abstract classes, Interfaces, method overloading and method overriding etc.
- Good knowledge on object-oriented programming principles like object, Inheritance, polymorphism, Data abstraction, Data Encapsulation.
- Having good knowledge on java1.8 features like Stream API, Lambda Expressions functional programming, forEach Method to iterate collections framework data , Optional Classes.
- Good knowledge on DDL, DML, TCL Operations by using Relational databases like MySQL
- Good interpersonal skills, willing to take challenges and more responsibilities.
- Ability to learn new technologies with minimal time period.

Software Skill:

Operating Systems: Windows Family

Languages: Java

Database: MySQL

Academic Project:

Title : IOT Anti Sleep Alarm for Drivers

Programming Language : Embedded 'C'

Team Size : Five Members

Duration : 2 months

Hardware Specifications : Micro Controller, Arduino, Relay, Ignition Key, DC Motor

Project Description :

The main theme of my project is to prevent drivers from accidents especially at nights. When a driver closed his eyes for three to four seconds gives an alarm to wake up a driver. It works as a warning alarm for drivers. So that can't sleep while driving.

Responsibilities:

Develop team schedules for team members. Create and communicate a clear list of expectations and goals for team members to follow. We worked together and completed the project successfully.

Strengths :

- Able to work in a team
- Good Communication Skills
- Active learning and critical thinking
