Notice Type: Approval Notice
Class: H1B
Valid from 02/08/2022 to 12/20/2024

The above petition and accompanying request for a change of status have been approved. The status of the named beneficiary(ies) in this classification is valid as indicated on the I-94 attached below. The beneficiary(ies) can work for the petitioner pursuant to this approval notice, but only as detailed in the petition and during the petition validity period indicated above, unless otherwise authorized by law. Changes in employment or training may require you to file a new Form I-129, Petition for a Nonimmigrant Worker.

The dates in the I-94 attached below might not be for the same dates as the petition validity dates above because the I-94 below may contain a grace period of up to 10 days before and up to 10 days after the petition validity period for the following classifications: CW-1, E-1, E-2, E-3, H-1B, H-2B, H-3, L-1A, L-1B, O-1, O-2, P-1, P-1S, P-2, P-2S, P-3, P-3S, TN-1, and TN-2. An I-94 for H-2A nonimmigrants may contain a grace period of up to one week before and 30 days after the petition validity period. However, the beneficiary(ies) may not work during such grace periods, unless otherwise authorized by law. The decision to grant a grace period and the length of the granted grace period is discretionary, final, and cannot be contested on motion or appeal. Please contact the IRS with any questions about tax withholding.

The petitioner should keep the upper portion of this notice. The lower portion should be given to the beneficiary(ies). The beneficiary(ies) should keep the right part (the I-94 portion) with his or her other Forms I-94, Arrival-Departure Record. The I-94 portion should be given to the U.S. Customs and Border Protection when he or she leaves the United States. The left part is for his or her records. A person granted a change of status who leaves the U.S. and is not visa-exempt must normally obtain a visa in the new classification before returning. The left part can be used when applying for the new visa. If a visa is not required, he or she should present it, along with any other required documentation, when applying for reentry based on this approval notice at a port of entry or pre-flight inspection station. The petitioner may also file Form I-824, Application for Action on an Approved Application or Petition, to request that we notify a consulate, port of entry, or pre-flight inspection office of this approval.

The approval of this petition does not guarantee that the beneficiary(ies) will be found to be eligible for a visa, for admission to the United States (if traveling abroad and seeking re-admission), or for a subsequent extension of stay, change of status, or adjustment of status.

Please see the additional information on the back. You will be notified separately about any other cases you filed.
